

WHERE FAMILY MEETS COMMUNITY

Georges Fair is proud to be partnering with New Brighton Golf Club

Georges Fair is the vibrant residential community adjacent to New Brighton Golf Course. Its developers, Investa Property Group and Urbex have agreed to build a large dam on site to provide a reliable source of water to irrigate the course.

More than 170 families already live along the tree lined streets of Georges Fair and what was once an abandoned brick pit is now a highly sought-after community. We invite you to meet Georges Fair and see the transformation for yourself.
